Says:The traveler, who was asked by a clerical-looking fellow-
passenger—whether or not he drank, may have been justified,
before answering, in asking whether the question was an inquiry
or an invitation. But my advice to you, sub, is "Let not
opportunity slip between your fingers." Take it, whenever
such a query is put to you, as a pressing invitation, provided,

About Men Talked About
in the Walks of
Politics.Men Who Are Candidates and
Men Who Are Not and What
People Say.Are aldermen elected by the people
of Chicago to look after their interests
going to help the Telephone Trust,
when the whole country is moving
against it?The manner in which the capital
stock of the Chicago Telephone Com-
pany has been increased should be
investigated by the Aldermen.The city is entitled to 3 per cent of
the gross receipts of the company.
Does it get it?It is about time that the state of
Illinois came to the rescue of the
people and passed a law prohibiting
the misuse of the name bank.As matters stand at present, any-
one with money enough to hire and
equip a store can paint the name
bank on the front windows and so-
licit and receive deposits without let
or hindrance.Every year hundreds of people
lose their savings through the failure
or collapse of one or more of these
wildcat institutions.Legitimate banks which are in
themselves a guarantee of security,
are passed by by thousands of sim-
ple and gullible people who are
charmed by the advertisements and
cunning allurements of men who
never did any legitimate banking and
who never intended to do any.The Chicago Eagle has often re-
ferred to this matter before and it
again urges upon the legislature and
upon men who are seeking seats in
the general assembly, the necessity
for passing a law protecting legiti-
mate banks and prohibiting illegiti-
mate ones.The enormous dividends paid to its
stockholders by the Telephone Trust
are wrung from the pockets of the
people by excessive telephone charges.Telephone rates must be reduced
and in time they will be.The fact that one city council will
barter away the people's rights is no
reason why succeeding councils should
do the same.The fight for cheaper telephone
service will go on until it is won.Meeting hours for City Council com-
mittees are as follows:Monday—Streets and alleys, 2
o'clock; buildings, 3:30 o'clock.Tuesday—Schools and police, 11
o'clock; harbors, wharves and bridges,
2 o'clock; local industries, 3 o'clock.Wednesday—Special park com-
mission, 10:30 o'clock; health, 3 o'clock;

THE AUTOMATIC TELEPHONE.

For a good many years the Chicago
public had ample opportunity to ob-
serve what telephone monopoly meant
in the way of service.The rates had been raised several
times—and threats of another raise
were being made. There was talk of
abolishing certain forms of residence
service. The public was treated with
scant courtesy. There were intermin-
able delays in changing old phones
and installing new ones.Then came the automatic telephone,
bringing with it the much needed
spur of competition.

What happened?

Immediately the utmost efforts to
improve the manual service were
made.But it is a cold, hard fact that these
efforts have been to a large degree
unsuccessful. It is simply a physical
impossibility to make manual service
come anywhere near the remarkable
efficiency of the automatic.The reason is obvious. The auto-
matic is a higher development of the
telephone principle.It has eliminated the huge cost and
great uncertainty of the human
operator.It has made telephoning secret,
quick, low in cost.On the automatic telephone a ma-
chine—quick as lightning, absolutely
accurate—gets your number for you.There are no hitches, no delays, no
wrong numbers.Automatic telephone service has re-
ceived a tremendous welcome in Chi-
cago. Automatic service has doubled
and doubled again until over 400,000
calls per day are being handled.And all this in the face of one of
the most powerful monopolies the
world has ever seen.For better telephone service, phone
for your Automatic today—Commer-
